

# j'adore dance

Dear J'Adore families,

It also seems that my previous email left many questions.

In an attempt to be as clear as possible ALL recital events, both Friday and Saturday have been cancelled. This includes; photos, technical rehearsals, dress rehearsal and the 2 shows.

Your ticket orders will be refunded automatically by EventBright.

The theatre will look into the possibility of rescheduling our recital dates but nothing will be looked at until things have settled down and they are able to catch up on their end - please do not expect updates in the next two weeks. When I have new information to share I will do so immediately.

Our studio was scheduled to be closed for the next 2 weeks anyways while we have our semester break and cleaning days. Hopefully as this situation unfolds we will be able to restart full year classes as originally scheduled on March 30th but will have updates on the website homepage, sent out via email, on our voice mail and in our social media closer to March 30th as new guidelines are given by the province.

We have been inundated with phone calls and emails today and are doing our very best to get information out to everyone. As this situation seems to be evolving on an hour by hour basis these are all the answers we currently have to convey. If you have a friend in the program please ensure they have checked their emails and this has not gone to their spam/junk.

We hope you all stay safe and healthy and fingers crossed we have an uneventful April.

Kind Regards,

*Chantel Sampson, BEd, AFLCA, PPNF, Performing Arts Healthcare*
