Costume Fittings January 17-23

All costumes will be handed out and all dancers will be asked to try their costume on at the beginning of class this week. **Please plan to be at the beginning of your child's class.** A parent or guardian must be present to assist their child in getting changed. Please remember that these are not custom fit costumes but rather in order to keep costs as low as possible we have ordered a "best fit" based on your child's measurements. Staff will be on hand to offer suggestions if small alterations are needed. **Costumes will be sent home and are to be kept safely hung up until the in-class dress rehearsal the week of March 5-11.**

Tickets go on sale January 25 – please see below for ordering information

In Class Dress Rehearsal Week March 5-11

All classes will be having an in-class dress rehearsal the week of March 8-14. Dancers are asked to wear their costume to class this day. Please ensure that your child's hair is done the way it is specified on the costume sheet enclosed with your child's costume. Parents are invited to come into class for the last 10 minutes to watch the dress rehearsal performance and take photographs. No Photography will be permitted in the theater.

Technical Rehearsal and Portraits March 13th.

All portraits will be taken during the technical rehearsal on March 13th. It is important that your child arrives **in hair and costume** as outlined on the sheet provided with their costume. Each class will have a specified portrait time and we must adhere to this schedule. Portraits will not be available outside of your child's designated class time. A gallery code and password will be sent out on March 21th once the gallery is uploaded. Portraits will be available for viewing and purchase online from Tuesday March 21th to Saturday April 11th at the **school's discounted rate**.

Technical Rehearsal Schedule:

Date: Friday March 13th

Location: Myer Horowitz Theatre

Times: Please arrive 10 minutes before your child's specified block of time to sign your child in. This will be a very crowded and busy space. Please have your child arrive in hair and costume. Parents will not be permitted in the theater or lobby area on this day. We realize that the first time slot may require dancers to leave school early and while we greatly apologize for this we have started the technical rehearsal as late as we possibly could in order to get all groups in before the theater closes for the night. Each class is given a 1 hour rehearsal block for their Photos and stage rehearsal.

Please see below for your child's character and time. *If your child is in more than one number Chantel will speak about this during your costume fitting times.*

Please arrive in your first character's costume and bring your remaining costumes, shoes etc. in your labelled garment bags provided with your costume.
